

The Center for Reimagining Learning
Contributor License Agreement (“Agreement”)

Thank you for your interest in the Open edX platform open source project being administered by The Center for Reimagining Learning (the “**Organization**”). To clarify the intellectual property license granted with Contributions from any person or entity, the Organization must have a Contributor License Agreement (CLA) on file that has been signed by each contributor, indicating agreement to the license terms below. This license is for your protection as well as the protection of the Organization and its licensees; it does not change your rights to use your own Contributions for any other purpose.

Please complete and sign this Agreement. Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Organization. Except for the license granted herein to the Organization and recipients of software distributed by the Organization, You reserve all right, title, and interest in and to Your Contributions.

- 1. Definitions.** “**You**” (or “**Your**”) shall mean the undersigned copyright owner who is making this Agreement with the Organization. “**Contribution**” shall mean any software code and related documentation and other original works of authorship that are expressly described below as well as any software code and related documentation and other original works of authorship that are intentionally submitted by You to the Organization for inclusion in, or documentation of, any of the products owned or managed by the Organization (the “**Contributions**”). For the purposes of this definition, “**submitted**” means any form of electronic, verbal, or written communication sent to the Organization or its representatives, including but not limited to communication on source code control systems, electronic mailing lists, and issue tracking systems that are managed by, or on behalf of, the Organization for the purpose of receiving, discussing and improving the Contributions, but excluding communication that is conspicuously marked or otherwise designated in writing by You as “Not a Contribution.”

Contributions [if you have none to report currently, please write N/A]: _____

If you are employed as a software engineer, or if your employer is in the business of developing software, or otherwise may claim rights in the Contributions, please provide information about your employer’s policy on contributing to open source projects, including the name of the supervisor to contact in connection with such contributions:

2. **You grant the Organization the ability to use the Contributions in any way.** You hereby grant to the Organization and to recipients of software distributed by the Organization a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable, sublicensable, and transferable license under all of Your relevant intellectual property rights (including copyright, patent, and any other rights) to use, copy, prepare derivative works of, distribute and publicly perform and display the Contributions on any licensing terms.
3. **Grant of Patent License.** You hereby grant to the Organization and to recipients of software distributed by the Organization a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable, sublicensable, and transferable license under any rights you may have, now or in the future, in any patents or patent applications to make, have made, use, offer to sell, sell, and import products containing the Contribution or portions of the Contribution. This license extends to patent claims that are infringed by the Contribution alone or by combination of the Contribution with other inventions.
4. **Limitations on Licenses.** The licenses granted in this Agreement will continue for the duration of the applicable patent or intellectual property right under which such license is granted. The licenses granted in this Agreement will include the right to grant and authorize sublicenses, so long as the sublicenses are within the scope of the licenses granted in this Agreement. Except for the licenses granted herein, You reserve all right, title, and interest in and to the Contribution.
5. **You are able to grant us these rights.** You represent that You are legally entitled to grant the above license. If Your employer has rights to intellectual property that You create, You represent that You have received permission to make the Contributions on behalf of that employer, or that Your employer has waived such rights for the Contributions.
6. **The Contributions are your original work.** You represent that each Contribution is Your original creation, and to Your knowledge, no other person claims, or has the right to claim, any right in any invention or patent related to such Contribution. You also represent that You are not legally obligated, whether by entering into an agreement or otherwise, in any way that conflicts with the terms of this license. For example, if you have signed an agreement requiring you to assign the intellectual property rights in the Contributions to an employer or customer, that would conflict with the terms of this license.
7. **We determine the code that is in our products.** You understand that the decision to include the Contribution in any product or source repository is entirely that of the Organization, and this agreement does not guarantee that the Contributions will be included in any product.
8. **No Implied Warranties.** The Organization acknowledges that, except as explicitly described in this Agreement, the Contribution is provided on an “AS IS” BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.
